

2022 Summer Connection

Beanstack Mobile App Instructions

Install the Beanstack app from your app store.

Login with your Beanstack account or create a new one.

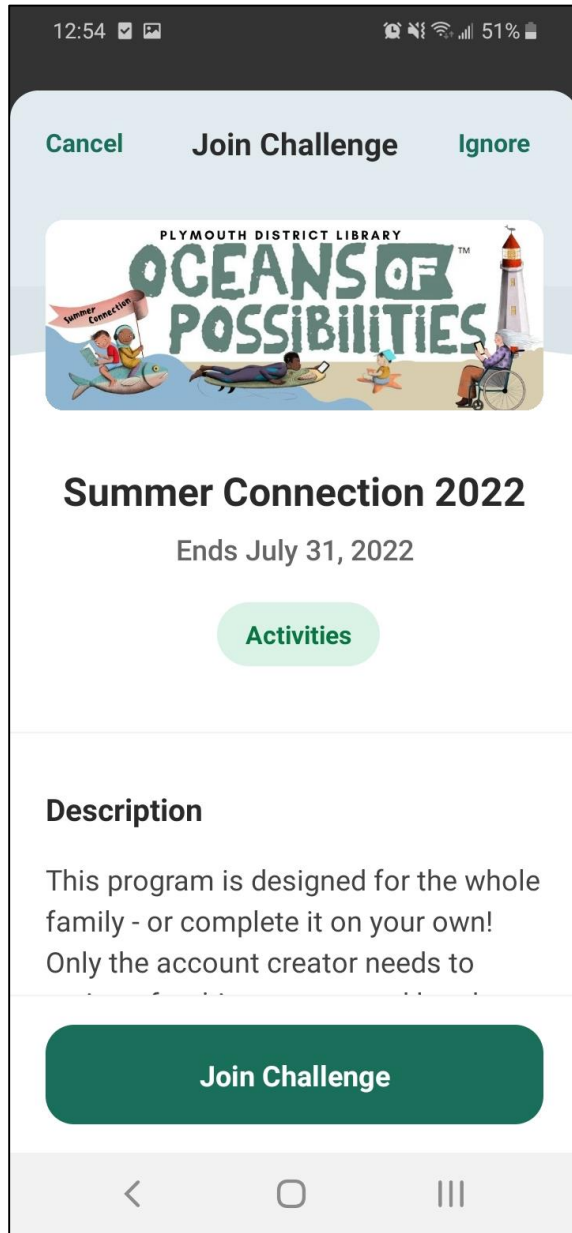

Forgot your login? Use the “Forgot password” link or contact us at

summer@plymouthlibrary.org

or 734-453-0750

Search Beanstack for “Plymouth District Library” and choose the resulting (MI) option.

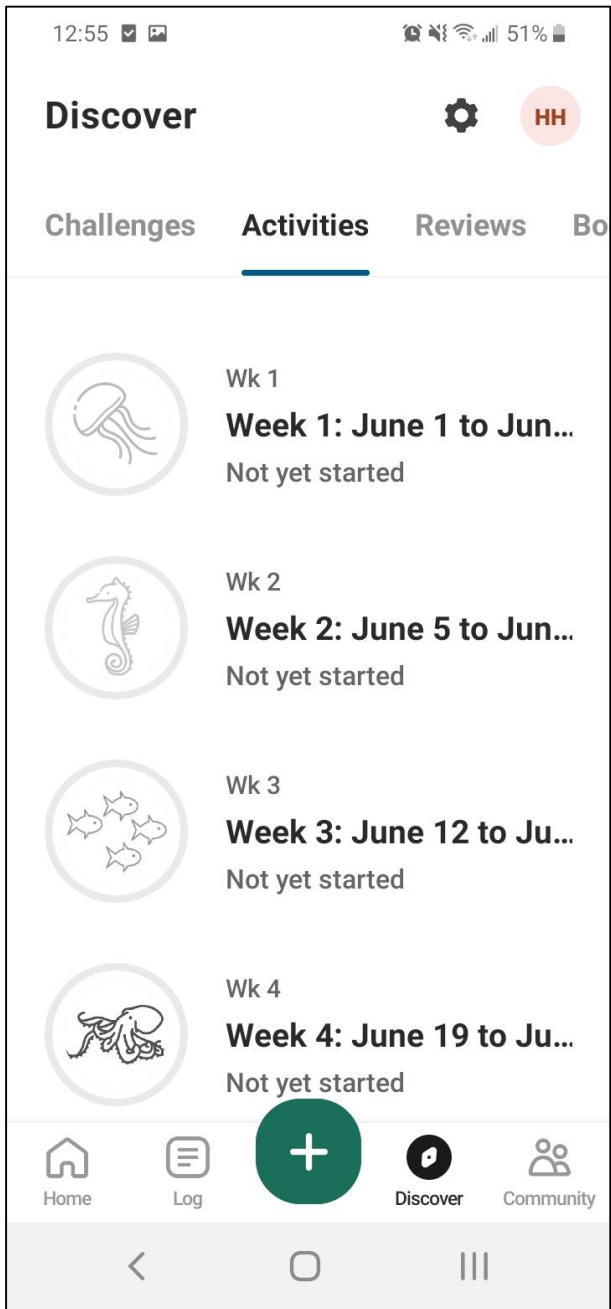

Register as many readers as you like!

Scroll down to the “Current Challenges” section.

Choose Summer Connection 2022

Only one person in the family needs to register for the Summer Connection challenge. You’ll complete activities as a family.

2022 Summer Connection

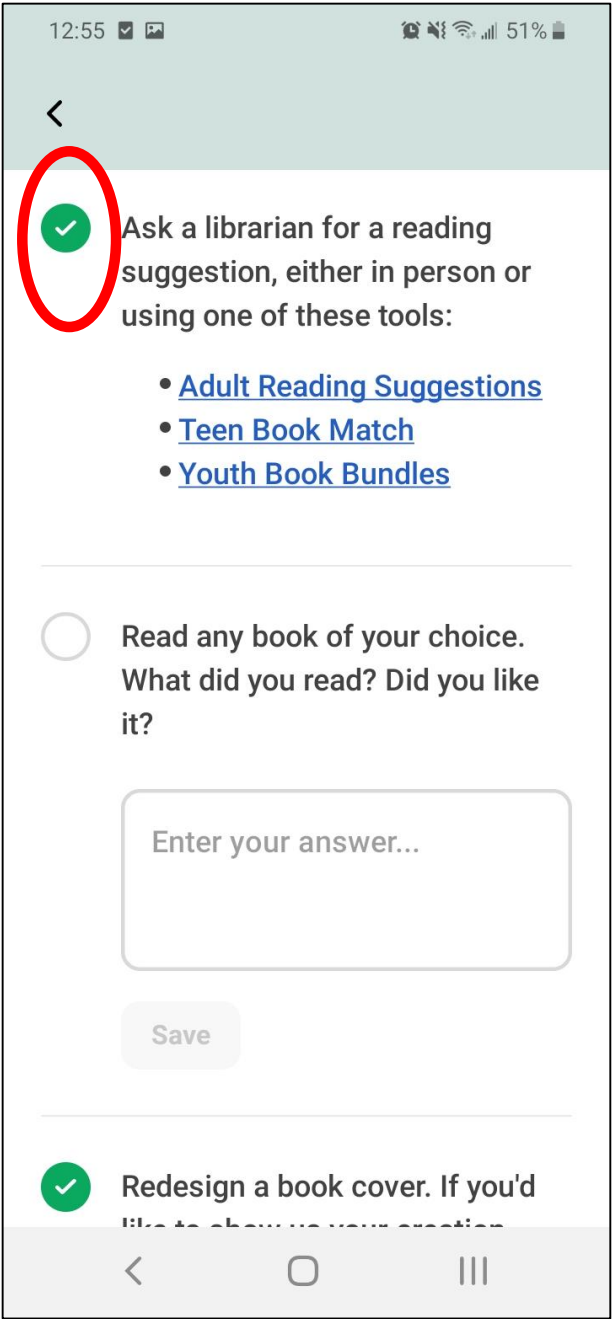

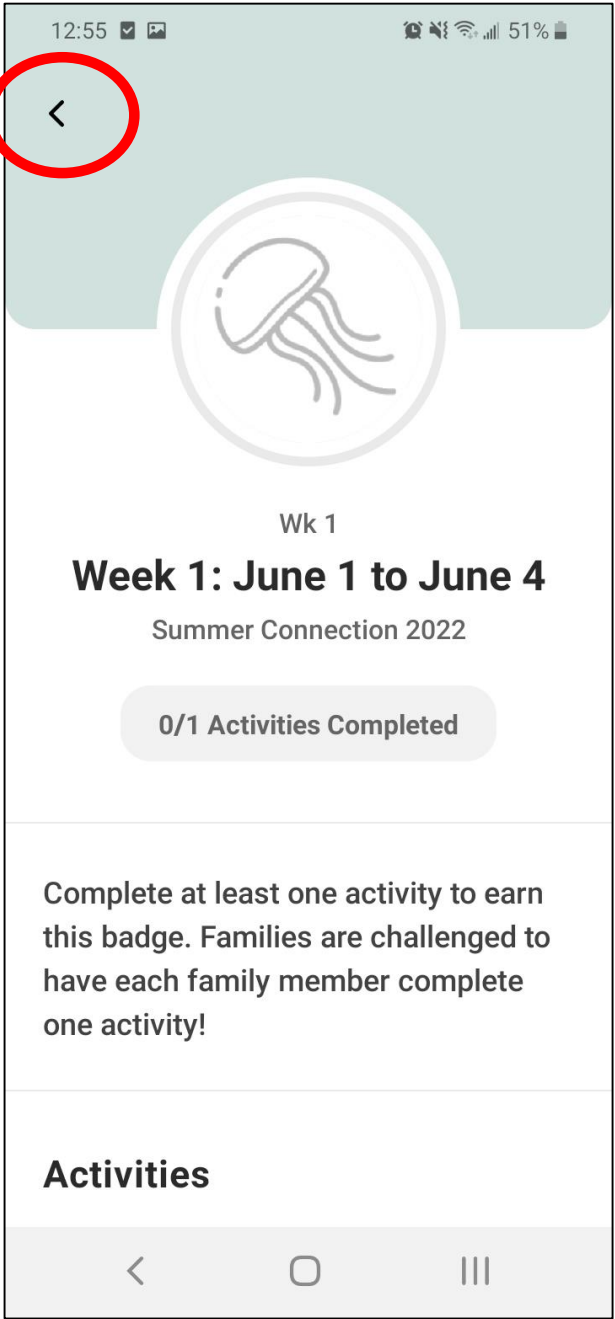

A Family program!

Complete at least one activity each week to earn that week's badge.

Complete at least one badge to be eligible for a prize.

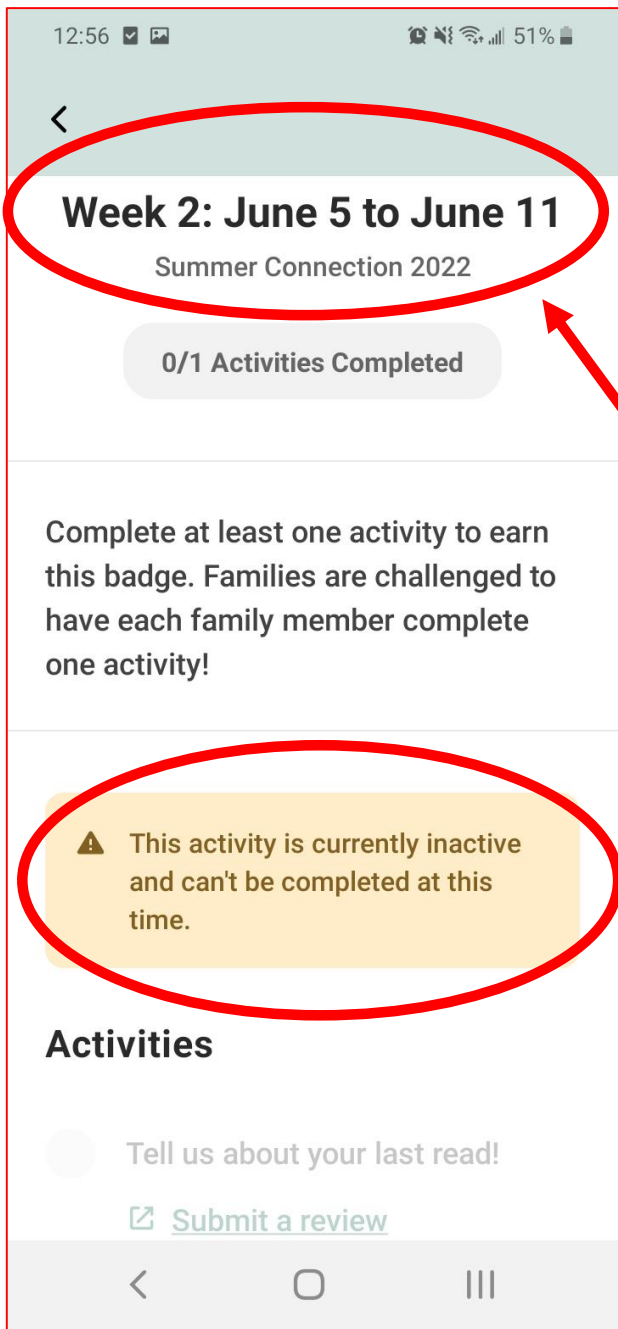

We challenge families to have each person in the family complete one activity each week!

We also challenge everyone to earn all 9 badges!

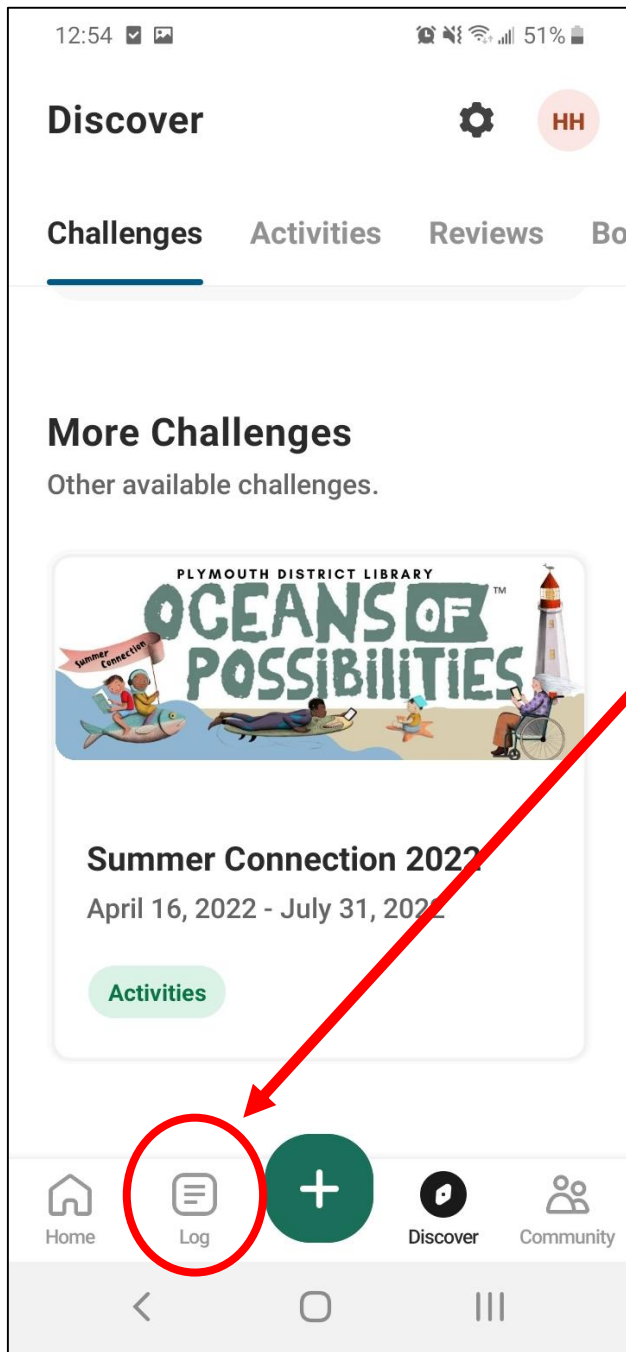

Simply tap the circle next to any activity to complete that activity. A green checkbox will appear. The app will pop up a notification that you have earned that badge.

Tap the left arrow at the top, left-hand side of the screen to go back.

You can look ahead to future weeks to see what activities are listed, but you can't complete them until the date listed.

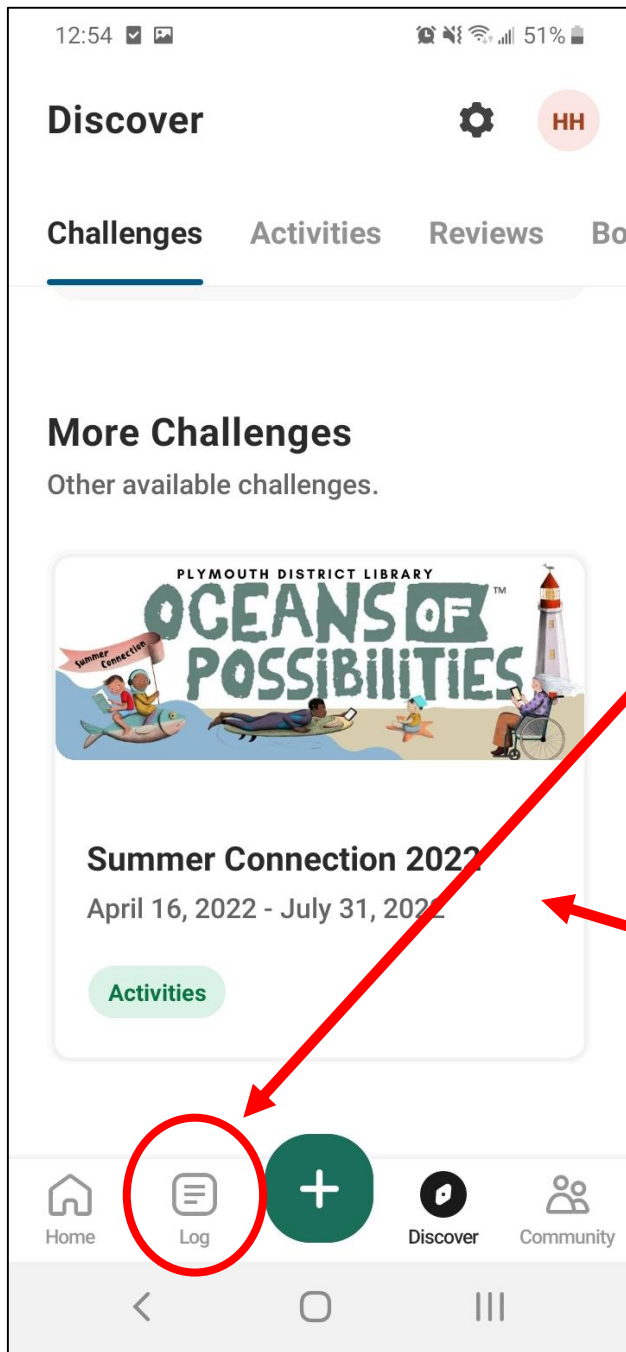

Important note!

The bottom of each screen has a “Log” button.

Beanstack is an app that keeps track of your reading, year-round.

That button is to add books to your log.

Highly encouraged...**but...**

Important note...continued!

That “Log” button is **NOT** a part of the 2022 Summer Connection!

Logging your reading in Beanstack with the “Log” button does not fulfill the weekly badge activity challenges.

Be sure to go into the **Summer Connection 2022** challenge and complete activities there!
