- RE: Blanket Purchase Order Modification

DATE: 6/14/2024 FROM: Melanie Bell, Assistant Director

In May we asked the board to approve a Blanket Purchase Order with Executive Property Maintenance Inc. for \$9000 from budget line 930 (Repairs & Maintenance). This was originally intended to cover annual landscape maintenance and irrigation work for the amphitheater. However, during work on the amphitheater, we had to expand the scope of the irrigation due to a broken water pipe and we moved low voltage lights installation from the Danboise vendor to Executive Property Maintenance. We are asking the board to approve a modification of the Blanket PO with Executive Property Maintenance Inc. from \$9000 to \$13,200. This will not put us over budget in the Repairs and Maintenance line as we ended up spending less with Danboise and were able to save money on window repairs by working with Green Earth Coatings.
