RE: Removal of Sunday Shift Differential
(Time-and-a-Half)

FROM: Shauna Anderson,
Director

The fiscal year 2022 budget was created and approved with the intent to remove Sunday time-and-a-half pay. Going forward, I would like to see all part-time employees paid their regular wages for Sunday hours. We will still maintain the ability for full-time employees to accrue comp time if they work a Sunday in addition to their regularly scheduled 40 hours that week.

RESOLVED BY _____, SECONDED BY _____ TO REMOVE SUNDAY TIME-AND-A-HALF PAY. PART-TIME EMPLOYEES WILL BE PAID THEIR REGULAR WAGES FOR SUNDAY HOURS AND FULL-TIME EMPLOYEES WILL ACCRUE COMP TIME IF THEY WORK A SUNDAY, IN ADDITION TO THEIR REGULARLY SCHEDULED 40 HOURS THAT WEEK.
