Activities:

Add some sparkle to your day with this Glitter Goo recipe! Perfect for kids ages 2.5 and older

<https://laughingkidslearn.com/glittery-goo/>

Need a craft with a little less mess? Create a Glitter Sensory Bottle. These sparkly bottles have the added bonus of providing a little calm-down time as well.

Take a walk outside and see if you can find some things to make your own Nature's Glitter. If possible, a local park or wooded area would work best.
