

# An Unusual Discovery

Click on the link to get started!

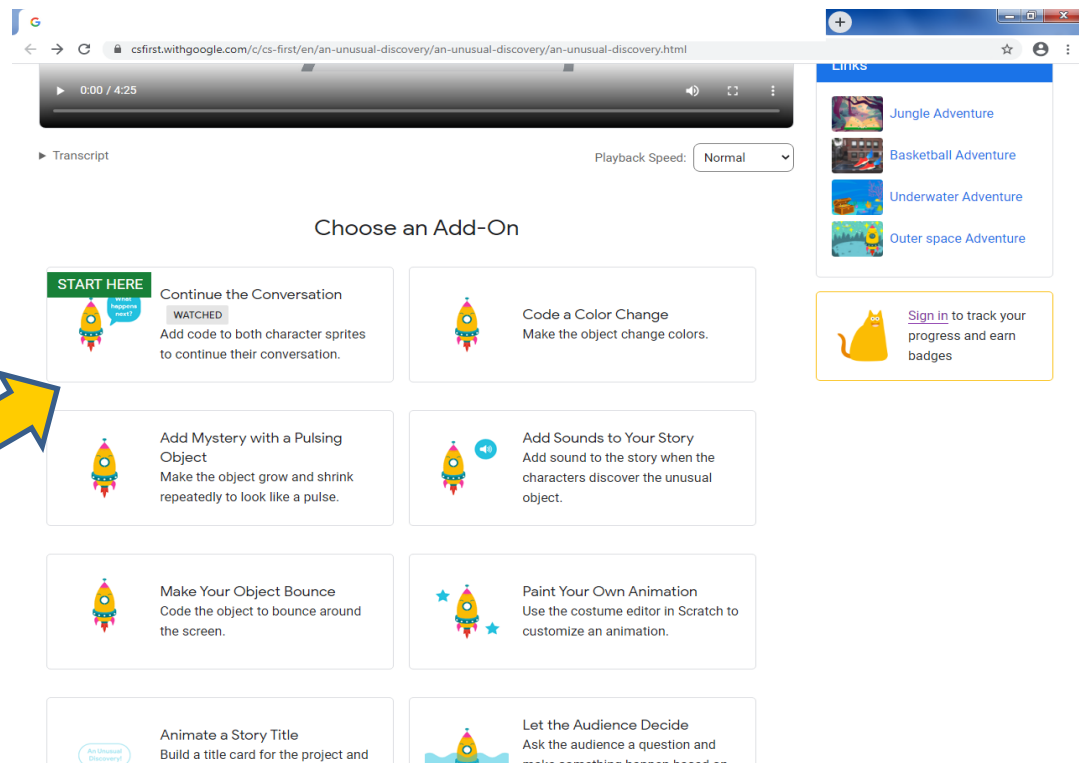

<https://csfirst.withgoogle.com/c/cs-first/en/an-unusual-discovery/an-unusual-discovery/an-unusual-discovery.html>

- Click on the **Video** and watch the short introduction. Once you have watched the video, you're ready to create your own project!

- You can choose your favorite background for the story by clicking on the **Links**. This way you can decide the setting for your story.

- Once you have chosen your sprites, and set the stage for your activity, continue the story by trying out an **Add-on**
- You can continue coding **Add-On** activities to your project.

- Have Fun!
