

## May Teen Take & Make -- Jolly Rancher Roses

### Supplies:

- 3 Lollipop sticks
- 15 Jolly Ranchers in 3 different colors for the petals
- 3 Green Jolly Ranchers for leaves
- Instructions

### What you'll need

- Hot water - you can use a pan on the stove (as shown) or a microwave to heat the water. (Caution: The water must be boiling hot to soften the candy, so handle with care.)
- A spoon and a plate.

Thanks to our teen volunteer, Isha, for creating the instructions and a video at <http://bit.ly/May-JRoses>.

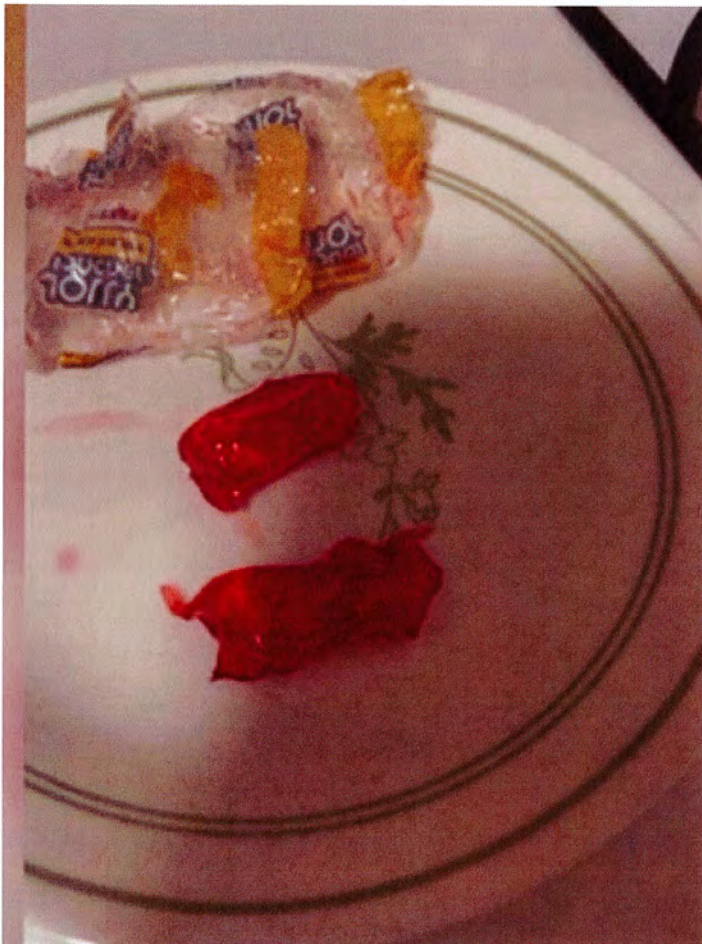

1. Get 2 different flavors of Jolly Rancher candy (approximately 5 cherry and 1 apple).

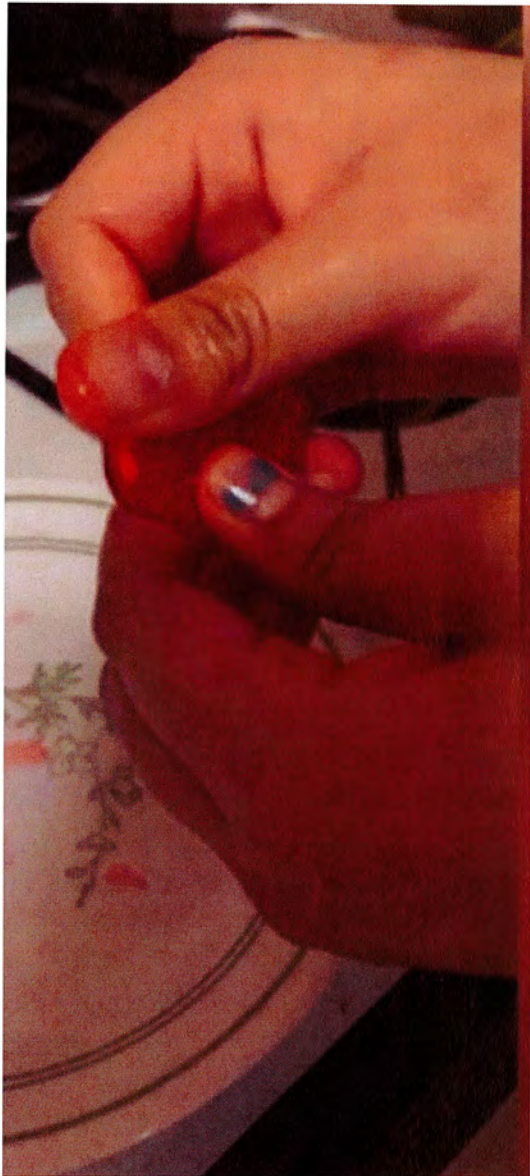

2. Soak in boiling water for about 2 minutes.

3. Remove and unwrap the Jolly Rancher candy.

4. Flatten the first candy and roll it around the stick.

5. Shape the first petal and add it to the centerpiece

6. continue adding petals, as desired.

7. Shape the leaf and add there

8. Let it dry
