Activities:

Craft: Cut down on waste by repurposing some of your trash! Make an Egg Carton Caterpillar with just some paints or markers, scissors, and a couple of pipe cleaners.

Sing-along: Learn about the 3 Rs of the environment with this fun song you can sing along to:

Kanopy Kids has a huge selection of videos for your child about recycling. Start with the episode of Joe and Jack called [Recycle This](#) to find out how to make robots by recycling juice cartons and other bits and pieces. After watching, see if you can find some things in your house to make your own robot. Find more instructions to help you do this here:
