## *The Indigo Girl* by Natasha Boyd

### SUMMARY

The year is 1739. Eliza Lucas is sixteen years old when tensions with the British, and with the Spanish in Florida, just a short way down the coast, are rising, and slaves are starting to become restless. Soon her family is in danger of losing everything. Upon hearing how much the French pay for indigo dye, Eliza believes it's the key to their salvation. But everyone tells her it's impossible, and no one will share the secret to making it. Thwarted at nearly every turn, even by her own family, Eliza finds that her only allies are an aging horticulturalist, an older and married gentleman lawyer, and a slave with whom she strikes a dangerous deal: teach her the intricate thousand-year-old secret process of making indigo dye and in return-against the laws of the day-she will teach the slaves to read.
