

E-BOOK CLUB KITS

A Luminous Republic by Andrés Barba

SUMMARY

San Cristóbal was an unremarkable city—small, newly prosperous, contained by rain forest and river. But then the children arrived.

No one knew where they came from: thirty-two kids, seemingly born of the jungle, speaking an unknown language. At first they scavenged, stealing food and money and absconding to the trees. But their transgressions escalated to violence, and then the city's own children began defecting to join them. Facing complete collapse, municipal forces embark on a hunt to find the kids before the city falls into irreparable chaos.
